

## **CLUB CHAMPIONSHIP RULES FOR 2018**

### **Facilities**

Clubs will provide at league competitions, a clean working toilet.

### **Field Target**

After each round of the league, the scores (i.e., number of targets knocked down) will be sorted by club and in descending order within club. This includes scores in the piston class as well as the open class.

All entries in open class will - for the purpose of the club championship only - have points deducted from their score, according to the following formula.

One point in every ten targets will be deducted, rounded up to the nearest whole number. For example, 30 targets, 3 points, 35 targets 3.5 points rounded up to 4 points.

The top three scores from each club will be accumulated, round by round until the end of the league.

The FT championship at the end of the season will be awarded to the club with the highest aggregate score derived as above from their best eight rounds.

### **Hunter**

All entries in open class will - for the purpose of the club championship only - have points deducted from their score, according to the following formula.

One point in every ten targets will be deducted, rounded up to the nearest whole number, as in the example above.

The scores (i.e., points) will be sorted by club and in descending order within club.

The top three scores from each club will be accumulated, round by round until the end of the league.

The Hunter championship at the end of the season will be awarded to the club with the highest aggregate score derived as above from their best eight rounds.
